THE CITY OF SEATTLE

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL NO. 77**

THIS AGREEMENT is between the CITY OF SEATTLE (hereinafter called the City) and the INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS LOCAL NO. 77 (hereinafter called the Union) for the purpose of setting forth the mutual understanding of the parties as to wages, hours and other conditions of employment of those employees for whom the City has recognized the Union as the exclusive collective bargaining representative.

Purpose of this Agreement - The City and the Union recognize that harmonious relations should be maintained between them and with the public. The City, the Union, and the public have a common and sympathetic interest in the operation of an effective and efficient municipal government. All will benefit by a continuous peace and by adjusting any differences which may arise to establish the conference and consultative machinery and procedures hereinafter provided for the following purposes.

1. To provide for fair and reasonable rates of pay, hours, and working conditions for employees of the City.
2. To insure the making of appointments and promotions as provided under Article XVI of the City Charter.
3. To promote stability of employment and establish satisfactory tenure.
4. To provide for improvement and betterment programs designed to aid the employees in achieving their acknowledged and recognized objectives as outlined in this agreement.
5. To promote the highest degree of efficiency and responsibility in the performance of the work and the accomplishment of the public purposes of the City.
6. To adjust properly all disputes arising between them related to the matters covered by this Agreement.
7. To promote systematic labor-management cooperation between the City and its employees.

NON-DISCRIMINATION

The City and the Union agree that they will not discriminate against any employee by reason of age, race, creed, color, sex, national origin, religious belief or marital status. Whenever words denoting the masculine gender are used in this Agreement, they are intended to apply equally to either gender.

The parties agree nothing in this contract, including seniority provisions, shall serve to prevent a job placement or other reasonable accommodation as may be made pursuant to state or federal law for prevention of discrimination on the basis of disability. Application of this provision is not intended to modify the requirements of Article 2.

ARTICLE 1. RECOGNITION AND BARGAINING UNIT

1.1 The City hereby recognizes the Union as the exclusive collective bargaining representative, for the purposes stated in Chapter 108, Extraordinary Session, Laws of 1967 of the State of Washington, of all regular, full-time employees whose job classifications are listed in Appendix A of this Agreement.

ARTICLE 2. UNION MEMBERSHIP AND DUES

2.1 The City recognizes the Union's right to encourage all employees in the bargaining unit to become and remain members in good standing of the Union, and the Union accepts its responsibility to fairly represent all employees in the bargaining unit regardless of membership status. Neither party shall discriminate against any employee or applicant for employment on account of membership in or non-membership in any labor union or other employee organization.

2.2 The City agrees to deduct from the pay check of each employee, who has so authorized it, the regular initiation fee and regular monthly dues uniformly required to members of the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. Authorization by the employee shall be on a form approved by the parties hereto and may be revoked by the employee upon request. The performance of this function is recognized as a service to the Union by the City.

2.3 Each regular full time employee within the bargaining unit whose most recent employment by the City of Seattle commences on or after July 1, 1971, shall make application to become a member of the Union within thirty days following the date of employment within the unit, and all other employees within the bargaining unit who have voluntarily become members of the Union as of April 1, 1971, shall maintain such membership in good standing, and failure by any

such employee to apply for and/or maintain such membership in accordance with this provision shall constitute cause for discharge of such employee; provided that it is expressly understood and agreed that the discharge of employees is governed by applicable provisions of the City Charter which provisions are paramount and shall prevail; provided further that the above requirements to apply for Union membership and/or maintain Union membership shall be satisfied by an offer of the employee to pay the regular initiation fee and the regular dues uniformly required by the Union of its members in municipal employment.

2.3.1 In accordance with RCW 41.56.122, employees covered by this agreement who for bona fide religious tenets or teachings of a church or religious body who are forbidden from joining a union shall contribute monthly an amount equivalent to regular Union dues to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the regular monthly dues.

2.3.2 Failure by an employee to abide by the above provisions shall constitute cause for discharge of such employee; provided that when an employee fails to fulfill the above obligation, the Union shall provide the employee, the City Director of Labor Relations (and a courtesy copy to the affected Department Head), with thirty (30) days' notification of the Union's intent of discharge action, and during this period the employee may make restitution in the amount which is overdue.

2.3.3 If the employee has not fulfilled the above obligation by the end of the Union's thirty (30) calendar day discharge notification period, the Union will thereafter notify the City Director of Labor Relations in writing, with a copy to the affected department and employee, of such employee's failure to abide by Article II, Section 3. In this notice the Union will indicate whether or not it is still seeking the discharge of the employee for failure to abide by the terms of the labor agreement between the City and the Union.

ARTICLE 3. DURATION, MODIFICATION, AND CHANGES

3.1 This Agreement shall become effective January 23, 2006, and shall remain in effect through January 22, 2009. Written notice of intent to terminate or modify this Agreement must be served by the requesting party at least ninety (90) by not more than one hundred and twenty (120) days prior to January 22, 2009. Any modifications requested by either party must be submitted to the other party no later than ninety (90) days prior to the expiration of this Agreement, and any modifications requested at a later date shall not be subject to negotiations unless mutually agreed upon by both parties.

3.1.1 At its discretion for any one or all of the annual pay increase effective dates, the City may implement the new pay rates prior to the January 23 pay date, but no earlier than the beginning of the pay period in which this date falls.

3.2 A Wage Review Committee shall be convened by the City to hear and rule on wage relationship adjustments proposed by Local 77. Requests for such adjustments, together with justification therefore, must be presented to the City Director of Labor Relations in writing with endorsement by the Union no later than October 15 prior to the expiration of the Agreement, but not earlier than July of that year. A request for wage adjustment of a particular class will be considered only once during the period of the Agreement. A written report of the Wage Review Committee on each request shall be made within 45 days of the hearing and forwarded to the Union. If the Union desires a review of the Committee's reply, it shall be granted and be held no later than 30 days from the request of the meeting. Wage relationship adjustments approved by the Committee shall be applied at the same time as the next general wage settlement and effective the same date as the settlement

ARTICLE 4. GRIEVANCE PROCEDURE

4.1 Recognizing that the terms of the Agreement may be subject to different interpretations, both the Department and the Union should have recourse to an orderly means of resolving any situation resulting in a grievance. The following outline of procedure by which grievances shall be processed is written as for a grievance of the Union against the Department, but it is understood that the steps are similar for a grievance of the Department against the Union.

Arbitration awards or grievance settlements shall not be made retroactive beyond the date of the occurrence or nonoccurrence upon which the grievance is based, that date being thirty (30) calendar days or less prior to the initial filing of the grievance.

4.1.2 Step 1. As the initial step, the grievance shall be discussed by the Union Steward and the immediate supervisor of the employee.

4.1.3 Step 2. If no settlement is arrived at in Step 1, the grievance may be referred in writing by the employee or the steward to the Business Manager of the Union. If the Business Manager decides that the grievance should be forwarded to the Department, he shall submit it in writing within ten (10) working days after the discussions between the shop steward and the supervisor involved. The grievance should set forth the following:

- a. A statement of the nature of the grievance and the facts upon which it is based.
- b. The remedy or correction which it is desired that the Department make.
- c. The section or sections of the Agreement, if any, relied upon as being applicable thereto.

4.1.4 When a grievance is so presented, the Department shall reply in writing within ten (10) working days from the receipt of the grievance.

4.2 Step 3. If no settlement is arrived at in Step 2, the grievance shall be submitted within ten (10) working days after the Step 2 answer to a Joint Labor-Management Committee composed of three representatives of the Union and three representatives of the Department, who shall endeavor to settle the grievance within ten (10) working days.

4.3 Step 4. If the difference or complaint is not settled in Step 3, it may be referred to the American Arbitration Association for arbitration to be conducted under its voluntary labor arbitration regulations. Such reference to arbitration will be made within thirty (30) calendar days of the expiration of the settlement period enumerated in Step 3, and will be accompanied by the following information:

1. Question or questions at issue
2. Statement of facts
3. Position of employee or employees
4. Remedy sought

The parties agree to abide by the award made in connection with any arbitrable difference. There will be no suspension of work, slowdown or curtailment of services while any difference is in process of adjustment or arbitration.

In connection with any arbitration proceeding held pursuant to this agreement, it is understood as follows:

- A. The arbitrator shall have no power to render a decision that will add to, subtract from or alter, change or modify the terms of this Agreement, and the arbitrator's power shall be limited to interpretation or application of the express terms of this Agreement, and all other matters shall be excluded from arbitration.
- B. The cost of the arbitrator shall be borne equally by the Department and the Union, and each party shall bear the cost of presenting its own case.
- C. The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) days after the case is submitted to the arbitrator.
- D. Nothing herein shall be construed as preventing the Department and the Union from settling by mutual agreement, prior to final award, any grievance submitted to arbitration herein.

4.3.1 By mutual agreement, the parties to this agreement, the Union and the City, may: 1) submit the grievance for mediation in lieu of arbitration (in which case the parties waive the right to pursue the matter further to arbitration); or 2) may request the arbitrator selected for arbitration, or

another arbitrator, mediate the dispute which shall then be subject to arbitration if mediation should fail to result in a settlement.

4.4 Disciplinary action may be processed through the third step of the grievance procedure; but shall not be a subject for arbitration. In no event shall this agreement alter or interfere with disciplinary procedure heretofore followed by the Department or provided for by the City Charter, Ordinance or Law, including the procedure for appeals thereof. This clause shall not, however, prevent the Union from affording to its members such representation in any other proceeding as it may see fit.

4.5 Any time limits stipulated in the grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing.

4.6 When a grievance is of a general nature, it will not be necessary that the Union list the names of the aggrieved employees.

ARTICLE 5. JOINT LABOR MANAGEMENT

5.1 The parties agree that the Joint Labor-Management Committee (JLMC) is established and authorized, consistent with applicable laws and the terms of this Agreement, to interpret, apply, resolve issues and interests affecting Labor and/or Management consistent with the following principles:

- 1 To provide for improvement programs designed to aid employees in achieving their acknowledged and recognized objectives as outlined in this agreement.
- 2 To promote the highest degree of efficiency and responsibility in the performance of the work and the accomplishment of the public purposes of the Employer.
- 3 To resolve disputes arising between the Employer and the Union relating to matters covered by this agreement.
- 4 To promote systematic labor/management cooperation between the Employer and its employees.

5.2 The JLMC does not waive or diminish Management rights and does not waive or diminish Union rights of grievance or bargaining. The parties recognize that the JLMC may not be able to resolve every issue.

5.3 Meetings- The parties agree that the JLMC shall meet at least quarterly. The JLMC shall be co-equal: there will be an equal number of representatives from Management and the Union to a maximum of three (3) each.

ARTICLE 6. WORK STOPPAGES

6.1 The City and the Union agree that the public interest requires the efficient and uninterrupted performance of all City services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the Union shall not cause or condone any work stoppage, strike, slowdown, or other interference with City functions by employees under this Agreement, and should same occur, the Union agrees to take appropriate steps to end such interference.

ARTICLE 7. MEDICAL AND DENTAL CARE

7.1 Medical Care - During the term of this Agreement, The City shall provide a Medical Care Program to all eligible employees and their dependents under conditions of the medical care contracts between the City and Group Health Cooperative of Puget Sound which are applicable to employees covered by this Agreement and which are in effect upon the execution of this Agreement by both parties. Also, the HMA Traditional and Aetna Preventative self-insured plans which are applicable to employees covered by this Agreement and which are in effect upon the execution of this Agreement by both parties.

7.1.1 The City will not revise the benefits of either of these plans in effect for 2004 for this bargaining unit except by mutual agreement with the Union. The deductibles, coinsurance levels, copay amounts, and other cost sharing terms of these plans will not be revised except by mutual agreement by the Union and the City.

7.1.2 The City at its discretion may offer additional health care plans which it may revise or discontinue at its discretion. The annual open enrollment announcement to bargaining unit employees will include notice of these plans (if there are any) and will disclose that the plans are offered at the discretion of the City and are not the result of bargaining with the Union.

- A. There will be an annual open enrollment announcement addressed specifically to I.B.E.W., Local 77, bargaining unit members.
- B. Time or other conditions that have served to satisfy pre-existing medical condition provisions of any of the health care plans offered by the City will apply to other plans offered by the City when an employee chooses to change plans during the open enrollment period.
- C. If the City terminates a health care plan it provides at its discretion and an employee (or a dependent covered by the employee's health care plan) is undergoing prescribed treatment for a health care condition at the time of the plan termination, the employee or family member will be permitted to continue with that treatment program with the Plans or programs if chosen, provided the employee notifies the City of Seattle health care program manager in writing of

this fact on the open enrollment change form. This provision will not serve to add to or subtract from any benefit plan provisions.

7.1.3 An employee may choose, when first eligible for medical benefits or during the scheduled open enrollment periods, any Plan described in Section 7.1 with the City paying ninety three percent (93%) of the full monthly premium for calendar year 2006 and ninety five percent (95%) for calendar years 2007, 2008 and the month of January 2009 for these Plans.

7.2 Dental Care - During the term of this Agreement, the City shall provide a Dental Care Program to all eligible employees and their dependents under conditions of the dental care contract between the City and Washington Dental Service which is applicable to employees covered by this Agreement and which was in effect upon the date of execution of this Agreement by both parties. The per person annual maximum benefit shall be One Thousand Five Hundred Dollars (\$1,500).

7.2.1 During the calendar years 2006, 2007, 2008, and the calendar month of January, 2009, the City shall pay one hundred percent (100%) of the monthly premium for Dental and Vision care coverage or a similar program mutually agreed upon by the City and the Union party to this Agreement.

7.3 The maximum monthly medical, dental and vision care premiums per covered employee, including his/her dependents, the City shall assume, shall be no less, but no more than the City's share of premium rates established for the calendar year 2008, with a one time only exception for the month of January 2009, but not to exceed the maximum limitation on the City's monthly premium obligation per calendar year as set forth within this Article.

7.4 If a carrier(s) is unable or unwilling to maintain a major benefit now covered under the plans in Sections 7.1 and 7.2, the parties to this Agreement shall enter into immediate negotiations over selection of a new carrier and/or modification of the existing plan.

7.4.1 If state and/or federal health care legislation is enacted, the parties agree to negotiate the impact of such legislation. The parties agree that the intent of this agreement to negotiate the impact shall not be to diminish existing benefit levels and/or to shift costs.

7.5 During the term of this Agreement, the City and the Union may mutually agree to eliminate the insurance carrier for any of the medical or dental benefits covered above and provide an alternative plan either through self-insurance or a combination of self-insurance and carrier provided benefits; provided such change maintains substantially the same level of medical or dental benefits and is more cost effective.

7.6 Long Term Disability - The City will provide a Long-Term Disability Insurance (LTD) program for all eligible employees for occupational and non-occupational accidents or illnesses. The City will pay the full monthly premium cost of a Base Plan with a 90-day elimination period, which insures 60% of the employees first \$667 base monthly wage. Benefits may be reduced by the employee's income from other sources as set forth in the Plan Description. The provisions of the plan shall be further and more fully defined in the Plan Description issued by the Standard Insurance Company.

7.6.1 During the term of this Agreement, the City may, at its discretion change or eliminate the insurance carrier for any of the long-term disability benefits covered by this Section and provide an alternative plan either through self insurance or another insurance carrier, however, the long-term disability benefit level shall remain substantially the same.

7.6.2 The maximum monthly premium cost to the City shall be no more than the monthly premium rates established for calendar year 2008, with a one-time only exception for the month of January, 2009 for the Base Plan, but not to exceed the maximum limitation on the City's premium obligation per calendar year as set forth within this Section.

8.1.1 "Regular pay status" is defined as regular straight-time hours of work plus paid time off such as vacation time, holiday time off and sick leave. At the discretion of the City, up to one hundred and sixty (160) hours per calendar year of unpaid leave of absence may be included as service for purposes of accruing vacation.

8.2 An employee who is eligible for vacation benefits shall accrue vacation from the date of entering City service or the date upon which he/she became eligible and may accumulate a vacation balance which shall never exceed at any time two (2) times the number of annual vacation hours for which the employee is currently eligible. Accrual and accumulation of vacation time will cease at the time an employee's vacation balance reaches the maximum balance allowed and will not resume until the employee's vacation balance is below the maximum allowed.

8.3 Employees may, with Department approval, use accumulated vacation with pay after completing 1040 hours on regular pay status.

8.4 In the event that the City cancels an employee's already scheduled and approved vacation, leaving no time to reschedule such vacation before the employee's maximum balance will be reached, the employee's vacation balance will be permitted to exceed the allowable maximum and the employee will continue to accrue vacation for a period of up to three months if such exception is approved by both the department head and the Personnel Director in order to allow rescheduling of the employee's vacation. In such cases, the department head shall provide the Personnel Director with the circumstances and reasons leading to the need for such an extension. No extension of this grace period will be allowed.

8.5 "Service year" is defined as the period of time between an employee's date of hire and the one-year anniversary date of the employee's date of hire or the period of time between any two consecutive anniversaries of the employee's date of hire thereafter.

8.6 The minimum vacation allowance to be taken by an employee shall be one-half of a day, or at the discretion of the head of the department, such lesser amount as may be approved by the department head.

8.7 An employee who leaves City service for any reason after more than six (6) months service shall be paid in a lump sum for any unused vacation he/she has previously accrued. Upon the death of an employee in active service, such payment will be made to the estate of the deceased employee.

8.8 An employee who is granted an extended leave of absence which includes the next succeeding calendar year shall be paid in a lump sum for any vacation earned in the current year or,

at the City's option, the employee shall be required to exhaust such vacation time before being separated from the payroll.

Where the terms of this section 8.8 are in conflict with Ordinance 116761 (family and medical leave) as it exists or may be hereafter modified, the ordinance shall apply.

8.9 An employee returning from military leave of absence, shall be given service credit for such service for purposes of determining the vacation accrual rate upon return to employment.

8.10 Where an employee has exhausted his/her sick leave balance, the employee may use vacation for further leave for medical reasons only with prior approval of the department head. In all other instances, employees must use all accrued vacation prior to beginning a leave of absence unless the leave of absence is granted to allow the employee to participate as a member of the Union's negotiating committee, relative to collective bargaining for the purpose of amending provisions of this Agreement.

Where the terms of this section 8.10 are in conflict with Ordinance 116761 (family and medical leave) as it exists or may be hereafter modified, the ordinance shall apply.

8.11 The department head shall arrange vacation time for employees on such schedules as will least interfere with the functions of the department but which accommodate the desires of the employees to the greatest degree feasible.

ARTICLE 9. SICK LEAVE

9.1 All employees in classifications covered by this Agreement will be allowed sick leave according to provisions of City Ordinance 88522 as amended by Ordinances 112088, 114648, 116761, 118703, 121029, 121440, 121454, and 121884.

9.2 Sick leave credit will be accumulated at the rate of .046 hours for each hour on regular pay status, but not to exceed forth (40) hours a week.

9.3 Employees shall be entitled to use sick leave after 30 days of employment.

9.4 Unlimited sick leave credit may be accumulated. Upon retirement twenty-five percent (25%) of an employee's sick leave credit accumulation can be applied to the payment of health care premiums, or to a cash payment at the straight time rate of pay of such employee in effect on the day prior to his/her retirement.

9.4.1 Upon death of an employee, either by accident or natural causes, twenty-five percent (25%) of such employee's accumulated sick leave credits shall be paid to his/her designated beneficiary.

9.4.2 Cash payments of unused sick leave may be deferred for a period of one (1) year or less, providing the employee notifies the Department Personnel Office of his desires at the time of retirement. Requests for deferred cash payments of unused sick leave shall be made in writing.

9.5 Sick leave credit can be used for time off with pay, from the first work day of such absence, for bona fide cases of:

- Sickness or injury of an employee;
- Disability due to pregnancy and/or childbirth;
- Medical or dental appointments.

Sick leave credit may also be used for care of family members as required of the City by state law and/or for care of family members, including domestic partners, as defined and provided for by City of Seattle ordinance as cited above.

9.6 Sick leave shall be recorded as used on time sheets or other forms as may be required by the City. Any application for sick leave of over four (4) days' duration must be supported by a report of the employee's personal physician. All applications for sick leave must be approved by the City.

9.7 The employee shall promptly notify his immediate supervisor, by telephone or otherwise, on his first day off due to illness. If an employee is on a special work schedule, particularly where a relief replacement is necessary if he is absent, he/she shall notify his/her immediate supervisor as far as possible in advance of his scheduled time to report to work.

9.8 All employees while on sick leave shall make themselves available for such investigation, medical or otherwise, as may be ordered by the City Personnel Director or the Department. While on sick leave, the employee shall provide himself/herself with reasonable medical care and treatment.

9.9 Employees covered by this Agreement shall be allowed one day off without salary deduction for the purpose of attendance at the funeral of any close relative; provided, that where such attendance requires total travel of 200 miles or more, one additional day with pay shall be allowed; provided further, that the department head may, when circumstances require and upon application stating the reasons therefore, authorize for such purpose not to exceed an additional four (4) days chargeable to the sick leave account of the employee, but no combination of paid absence under this Section shall exceed five (5) days for any one period of absence. In like circumstances and upon like application the department head may authorize for the purpose of attending the funeral of a relative other than a close relative, not to exceed five (5) days chargeable to the sick leave account of an employee. For purposes of this Section, the term "close relative" shall mean the spouse, child, mother, stepmother, father, stepfather, brother, sister, grandchild, grandfather or grandmother of the employee or spouse, and the term relative

other than a "close relative" shall mean the uncle, aunt, cousin, niece or nephew of the employee, or the spouse of the brother or sister of the spouse of the employee.

ARTICLE 10. MANAGEMENT RIGHTS

10.1 The Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its lawful mandate, and the powers or authority which the City has not specifically abridged, delegated or modified by this Agreement are retained by the City.

Employees who work less than a full calendar year shall be entitled only to those holidays, Monday to Friday inclusive, which fall within their work period. Employees quitting work or discharged for cause shall not be entitled to pay for holidays following their last day of work.

13.9 Employees shall receive an amount not less than the equal of four (4) hours straight-time pay each time called out from their homes at times other than regular working hours (non-scheduled overtime). They shall be paid the regular overtime rates from the time they leave home until they return to their homes, except no pay shall be allowed while eating or sleeping; provided, however, that if employees are notified before leaving their regular daily work to report for duty after regular working hours (scheduled overtime), they shall be paid only from the time they report to headquarters until the time of their return to headquarters, but in any event not less than the equal of four (4) hours straight time pay.

When such employees are required to work during the regular meal period, they shall receive the overtime rate of pay for such portion of the meal period as they work. 17.6.1 Whenever an employee is injured on the job and compelled to seek immediate medical treatment, the employee shall be compensated in full for the remaining part of the day of injury without effect to his/her sick leave or vacation account. Scheduled workdays falling within only the first three (3) calendar days following the day of injury shall be compensable through accrued sick leave. Any earned vacation may be used in a like manner after sick leave is exhausted, provided that, if neither accrued sick leave nor accrued vacation is available, the employee shall be placed on no pay status for these three (3) days. Disabled employees affected by the provisions of SMC 4.44 shall continue to accrue vacation and sick leave as though actively employed during the period set forth within Section 17.6.

17.6.4 Any employee eligible for the benefits provided by SMC 4.44 whose disability prevents him/her from performing his/her regular duties but in the judgment of his/her physician could perform duties of a less strenuous nature, shall be employed at his/her normal rate of pay in such other suitable duties as the department head shall direct, with the approval of such employee's physician until the Personnel Director requests closure of such employee's claim pursuant to SMC 4.44, as now or hereinafter amended.

17.6.5 Sick leave shall not be used for any disability herein described except as allowed in Section 17.6.1.

17.6.6 The afore-referenced disability compensation shall be understood to be in lieu of State Industrial Insurance Compensation and Medical Aid.

ARTICLE 23. RATES OF PAY

23.1 The titles of employees covered by this Agreement and the corresponding rates of pay are set forth in Appendix "A" which is attached hereto and made a part of this Agreement. The base wage rates **effective on January 23, 2006**, as set forth in Schedule "A" of this Agreement, reflect a percentage increase of 3.3% above the rates in effect on January 22, 2005. The base wage rates effective on January 23, 2006 as set forth in Schedule "A" of this Agreement, for this year only, reflect a percentage increase of three point three percent (3.3%), which is the cost of living adjustment plus one percent (1.0%) above the rates in effect on January 22, 2006.

23.2 The base wage rates **effective on January 23, 2007**, shall be computed to reflect a percentage increase equivalent to 100% of the percentage increase in the Seattle-Tacoma-Bremerton area Consumer Price Index for June 2006 over the same index for June 2005; provided, however, said percentage increase shall not be less than two percent nor shall it exceed seven percent. The index used shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), All Items, Revised Series (1982-84 = 100), covering the period June 2005 - June 2006 as published by the Bureau of Labor Statistics.

The resulting percentage increase shall be rounded to the nearest tenth of a percent.

23.3 The base wage rates **effective on January 23, 2008**, shall be computed to reflect a percentage increase equivalent to 100% of the percentage increase in the Seattle-Tacoma-Bremerton area Consumer Price Index for June 2007 over the same index for June 2006; provided, however, said percentage increase shall not be less than two percent nor shall it exceed seven percent. The index used shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), All Items, Revised Series (1982-84 = 100), covering the period 2006 - June 2007 as published by the Bureau of Labor Statistics.

The resulting percentage increase shall be rounded to the nearest tenth of a percent.

23.4 In the event the "Consumer Price Index" becomes unavailable for purposes of computing any one of the afore-referenced increases, the parties shall jointly request the Bureau of Labor Statistics to provide a comparable index for purposes of computing such increase and if that is not satisfactory, the parties shall promptly undertake negotiations solely with respect to agreeing upon a substitute formula for determining a comparable adjustment.

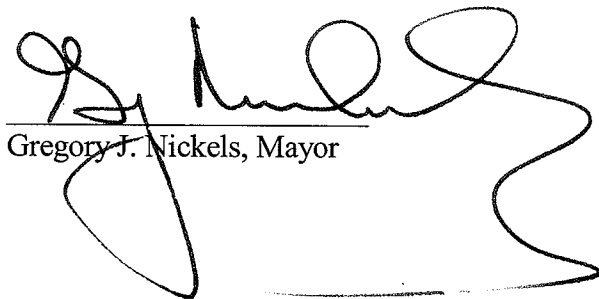

23.5 Shift Premium - Effective January 23, 2005, an employee assigned to the second shift will be paid \$0.50 per hour for all hours of the shift. Shift premium will be paid for hours worked as opposed to time-off with pay such as vacation, sick leave, holiday pay, and other paid leave benefits. The shift premium pay will be included in the base pay for shift employees for shift-extension overtime, whether worked before or after the shift. Shift premium will not be included in the employee's base pay for call-out or weekend overtime. A day shift employee required to remain at work after the end of their shift to cover the second shift will begin receiving the shift differential at the time the day shift employee begins overtime pay for the second shift; the overtime rate will be calculated on the day shift hourly rate.

RE: Signal Electrician Reference in CBA

The parties have agreed by their signatures affixed hereto that references of "Signal Electrician" contained in the Collective Bargaining Agreement (CBA), between the parties [2006-2009], at Article 14 sections 14.3, 14.4, 14.5, and 14.6 shall mean "Signal Electrician 2".

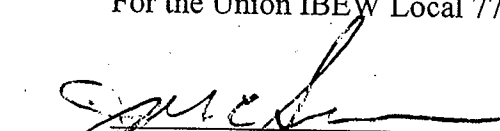

During the course of Bargaining the parties agreed to the new Signal Electrician 2 rate to be the base rate when referring to a base rate. The previous contractual arrangement and language had only one level for Signal Electricians.

Consistent with this round of bargaining the Signal Electrician class now has working titles from Signal Electrician 1-Signal Electrician 5. As an oversight the parties had forgotten to accomplish such a change in the provisional language wherein Signal Electrician 2 would be referred to as the base rate. As such, this memorandum of understanding shall serve to accomplish that change to the provisional language contained in the CBA.
